THE - BEST - TELEPHONE - SERVICE

LOOK HERE, MR. FARMER!

Note that the Cumberland Telephone & Telegraph Company, Incorporated, is offering to you an ideal proposition for telephone service. Using our service you have advantages of long distance connections to every important point in the United States. The advantages of telephone service in your residence are too numerous to mention, but among them would be daily communication with the markets, obtaining prices, getting accurate reports on the weather, calling up your neighbors, friends and relatives. All these advantages and pleasures are more than worth the price you would pay for the service. Literature and information furnished by calling on our manager, E. G. Mann.

Special! Six Weeks Only! Free

This 75c pair of shears to any new and renewal subscriber paying \$1.00 on subscription.

Patent Tension Spring Shears

These patented shears, regularly sold for 75 cents, are here at your demand, free of charge. The cutting edge on these shears is indestructible and will never wear dull. They will cut anything and everything, from wet tissue paper to a horse blanket. Note the patent Tension Springs. It does away with resharpening entirely.

Patent Tension Spring Shears—Eight inches in length.

The shears are manufactured of very highest grade steel, perfectly tempered and heavily nickel plated on a highly polished surface. The patent tension spring takes up all the wear on the rivet, so that the cutting edges will never wear dull. A simple turn of the little thumb screw will adjust the blades to cut anything, for the thinnest and most delicate fabric to the heaviest material.

Read This Guarantee—We guarantee the quality of the material and the workmanship in the shears to be first

Class in every respect, and that the tension spring doubles the usefulness of the shears and does away with the necessity of resharpening.

Semi-Weekly Bee, Earlington, Kentucky
